The Mission of the
Volunteer Center of Door County
is to build and strengthen volunteerism;
creating solutions for community needs.

VolunteerDoorCounty.com

Welcome!

The Volunteer Center of Door County staff and Board of Directors appreciate your interest in volunteer opportunities in our community.

The Volunteer Center is the only centralized volunteer recruitment and referral service in Door County. Our community volunteer programs connect hundreds of volunteers annually with opportunities to serve.

The Volunteer Center mission is focused in these areas:

- 1) Connecting people with opportunities to serve
- 2) Promoting volunteerism and advocating for Door County nonprofit needs
- 3) Building the capacity for effective, professional volunteer management
- 4) Educating and raising awareness of the benefits of volunteerism

Please consider joining us or becoming a sponsor for our annual "Golden Heart Volunteer Celebration" held each April in conjunction with National Volunteer Week. Through this event, the largest of its kind in Door County, our community gathers to affirm and celebrate the vital, life-changing contributions volunteers make in Door County while highlighting the non-profit agencies through which they serve. It's the perfect way to thank our volunteers and raise awareness of local volunteer opportunities.

If you care to support our mission to build and strengthen volunteerism with a financial contribution, a donation form is included in the back of this booklet.

Thank you for choosing to "Be the Change!" in Door County. We hope you will share with us your feedback, questions and volunteer experiences.
